MEMORANDUM

TO: Tony Gomillion, County Administrator

FROM: Stephen Furman, Public Works Director 

DATE: August 16, 2016

SUBJECT: Archie Glover Boat Ramp Channel Markers

RECOMMENDATION

Discussion of award of repair work at the Archie Glover Boat Ramp pier and channel markers to FIDS Marine Contracting Inc. in the amount of \$3,616.00. Funding for the project will be from Boater Registration Fees.

BACKGROUND

The Marine Advisory Committee advised us of leaning channel markers along the Archie Glover Boat Ramp channel. During our investigation, we determined that some of the pilings on the middle curtesy dock were broken, along with some other supporting members. Also, many of the deck boards on this dock were in poor shape. The quoted price is for the repair of middle dock, and the straightening of the leaning channel marker pilings.

Subject: Archie Glover Channel Marker Repairs

Stephen,

I prepared a Request for Quote (RFQ) to repair the channel markers at the Archie Glover Boat Ramp. The request also included making some minor repairs to the middle dock. There were four quotes/responses. The quotes were as follows:

FIDS Marine Contracting Inc.	\$ 3,616.00
What's Up Docks	\$ 4,995.22
Alford and Son's Marine	\$ 6,810.00
Gulf Marine Construction	\$ 15,135.00

Please let me know how you want to proceed with the repairs.

Glenn F. Bailey, P.E.
Santa Rosa County Assistant Public Works Director
